Re: Closure of Administrative Order  
Docket No. SDWA-08-2003-0032  
PWS ID# MT0002943

Dear Mr. Schrammeck:

This letter is to inform you of the Environmental Protection Agency's (EPA) decision to close Administrative Order ("Order"), Docket No. SDWA-08-2003-0032, issued to Woods Bay Marina on September 29, 2003. Based on the information you provided after EPA issued the Order, EPA has determined that you were in compliance with the violations alleged in the Order. In the future, please ensure that you send your drinking water test results to the Montana Department of Environmental Quality within (1) the first 10 days following the months in which the test results are received, or (2) the first 10 days following the end of the required monitoring period, whichever is shortest [40 C.F.R. § 141.31(a)].

Please be aware that you are still required to comply with the National Primary Drinking Water Regulations ("NPDWRs"), 40 C.F.R. part 141. Violation of the NPDWRs or an administrative order may subject you to a court-imposed injunction and penalties of up to \$27,500 per day of violation for violations which occurred before March 15, 2004 or \$32,500 for violations which occur on or after March 15, 2004.

If have any questions about your compliance requirements, please call Eric Finke, Branch Chief, at (406) 457-5026 or Michelle Jalazo, Enforcement Attorney, at (303) 312-6921.

Sincerely,

**SIGNED**
